

Building Tradition

Dear Community Members,

On March 3rd our Parent Teacher Association & Advisory Board will be sponsoring the 4th Annual Basilica School of St. Paul Golf Tournament.

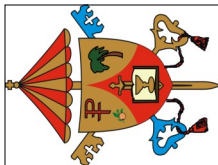

As a community, the impact we can have on the lives of our students is unlimited. At Basilica School of St. Paul we strive for the perfect blend of an accelerated academic program combined with strong Christian-based values and morals. The funds generated from this tournament have allowed us the opportunity to sustain the financial support needed to keep the Basilica School of St. Paul tradition of excellence alive.

Your presence and participation in this fun-filled day will give us the chance to facilitate our goal of supporting our school and its students.

Sincerely In Christ,

Yvonne M. Toro, Principal
